

SAFE AND ORDERLY LEARNING ENVIRONMENT

Contacts With Staff

The learning environment and the staff's time for students shall be free from interruption. Except in emergencies, staff shall not be interrupted in their work. Brief messages shall be recorded so as to permit the staff member to return the call when free.

Certificated staff shall be available for consultation with students and patrons one-half hour before and after school time. Students and patrons are urged to make appointments with staff to assure an uninterrupted conference.

No one shall conduct private business with staff on school time.

Visitors

The board welcomes and encourages visits to school by parents, other adult residents of the community and interested educators. The superintendent shall establish guidelines governing school visits to insure orderly operation of the educational process and the safety of students and staff.

Disruption Of School Operations

If any person is under the influence of drugs or alcohol or is disrupting or obstructing any school program, activity, or meeting, or threatens to do so or is committing, threatening to imminently commit or inciting another to imminently commit any act which would disturb or interfere with or obstruct any lawful task, function, process or procedure of any student, official, classified or certificated staff member or invitee of the school district, the superintendent or staff member in charge shall direct the person to leave immediately. If such a person refuses to leave, the superintendent or staff member shall immediately call for the assistance of a law enforcement officer.
