

REGULATION OF DANGEROUS WEAPONS ON SCHOOL PREMISES

Unless specifically authorized by this policy, it is a violation of district policy for any person to carry a firearm or dangerous weapon on district property or, school-provided transportation. This prohibition applies to any facility owned, rented, or leased by the District. If the District leases or rents part of a property for District use, firearms and dangerous weapons are prohibited on any portion of the premises where the district has the right of exclusive use.

Carrying a dangerous weapon onto school premises, school-provided transportation, or areas of other facilities being used exclusively for school activities in violation of RCW 9.41.280 is also a criminal offense. It is the policy of this District that the presence of firearms and other dangerous weapons in the workplace or educational environment is to be minimized as much as possible. As such, the following activities are prohibited by this policy regardless of whether such possession would violate state law, and regardless of whether the weapon is secured in a vehicle or possessed by a person with a concealed weapons permit:

1. No District employee may bring any firearm or dangerous weapon onto any District property without prior authorization of the Superintendent.
2. No person or entity renting, leasing, or otherwise being granted the right to temporary use of District-owned property may possess, or allow its guests to possess, firearms or dangerous weapons on District-owned property.

The superintendent is directed to ensure that all school facilities post “Gun-Free Zone” signs, and that all violations of this policy and RCW 9.41.280 are reported annually to the superintendent of Public Instruction.
