

REPORTING IMPROPER GOVERNMENTAL ACTION

It is the policy of the district to encourage its employees to disclose improper governmental actions by district employees and officers. Therefore, the superintendent shall adopt procedures to (1) encourage the good faith reporting by district employees of improper governmental action taken by district officers or employees and (2) protect against retaliatory action.

A summary of this policy and its implementing procedure shall be permanently posted where all employees will have reasonable access to it. A copy of this policy and its implementing procedure shall be made available to any employee upon request.
