

# DEXTER COMMUNITY SCHOOLS

Fri, May 28, 2021 at 2:08 PM

Dear DCS Parents, Students, and Staff,

As the 2020-2021 school year winds down, we're excited about the future at DCS and the future for our kids. Attached to this email are three documents:

- The first attachment is a list of 2021-2022 Back to School Dates.
- The second is the [Parent Calendar 2021-2022](#) for the 2021-2022 school year. We've shared this in the past but want to reiterate - **We plan to be in school every day next year.** Information for any family who desires a virtual program will be shared this summer. DCS has offered virtual learning programming for many years and will continue to do so for interested families. Meanwhile, we are planning for the vast majority of our students to be in-person every day next year.
- The third document is the Dread Strong Summer Information. **Please see the attached document for details.** Information is also available on our website at <https://www.dexterschools.org/district/summer> . We're planning a variety of opportunities for all of our students and working within changes in state law that continue to reshape our plans. That being said, the attached flyer outlines the options that will continue to roll out throughout the summer for our students. More details will be shared in the coming weeks regarding camps, etc. Our staff is working tirelessly to complete the 2020-2021 school year, plan for the 2021-2022 school year, and plan the summer programming. Please be patient as we're all working as quickly as we can to finalize details. The attached flyer outlines options for students at all grade levels. We're committed to providing a great summer for our kids and thank you for your patience. Our summer offerings (outlined in the attachment) include summer camp, summer athletic camps, DHS Iron Dreads Strength and Conditioning Credit, other camps, and credit options at DHS.

Thank you for your continued support, take care, and Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
