A dog is like a fuzzy hairball.
A dog is like a smelly skunk.
A dog is like a machine that eats.
A dog is like a famous runner.
A dog is like a furry snowball.
A dog is like a growing machine.
A dog is like a cheetah.
A dog is like a droolly baby.
A dog is like a vacuum cleaner.
A dog is like a furry monster.
A dog is like a fluffy pillow.
A dog is like a noisy garage.
A dog is like a fish.
A dog is like a life guard.
A dog is like an alarm clock.
A dog is like a policeman.
A dog is like a pig.
A dog is like a spotted cow.
A dog is like a beggar.
A dog is like a howling coyote.
A dog is like a crowing rooster.
A dog is like a champion swimmer.
A dog is like a bulldozer.

A boat is like a rubber duck.
A boat is like a floating dog.
A boat is like an Olympic swimmer.
A boat is like a blow fish.
A boat is like a floating house.
A boat is like a car in water.
A boat is like a surf board with a sail.

If I were in charge of the U.S.A. school would not exist.

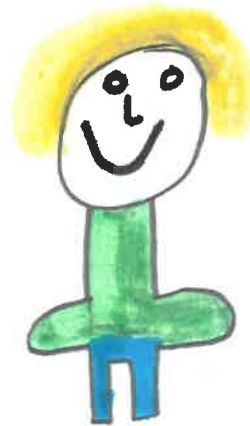

If I were in charge of the U.S.A. I would have
777,000,888,111,100,000,111,111,111,111,100, dollars.

If I were in charge of the U.S.A. I would have my friends' parents
raise their allowance by a lot.

If I were in charge of the U.S.A. candy would be a vegetable.

If I were in charge of the U.S.A. my bed time would be 12:30 P.M. to
7:00 A.M.

I Wish

I wish I owned the universe

I wish I had \$ 100,000,000,000,000,000,000,000,000,000,000,00

I wish school blew up

I wish I had 1,000 dogs, 100 cats and 50 fish.

I wish I had a jet.

A dog is like a funny egg.
A dog is like a lifeguard.

I wish I had no homework. I wish I could play hockey. I wish I could have a manatee. I wish I could own Florida and Utah too.

by j.j. Miaskiewicz

I used to like Barney but now I don't. I used to like kickball but now I like hockey. I used to like rice but now I like noodles. I used to like ninjas but now I like manatees. I used to like lamb chops but now I like penguins.

If I were in charge of the house I could say "be quiet" to my brother.
If I were in charge of the house my family would bow to me.
If I were in charge of the house I could have 6,000 pets.
If I were in charge of the house I could have sleepovers with Chelsea every day.
If I were in charge of the house I would kick T.V. out.
If I were in charge of the house I wouldn't have piano lessons.
If I were in charge of the house I wouldn't have hair cuts.
If I were in charge of the house I wouldn't have fruit.
If I were in charge of the house I would call in sick for school.
If I were in charge of the house my brother would do all the work.
If I were in charge of the house I could buy anything I want.
If I were in charge of the house I would have an allowance of \$1,000 a day.
If I were in charge of the house I could have food after four o'clock.

My parents should know I should get the best treatment.
My parents should know I should have a swimming pool.
My parents should know I should have a slumber party every night.
My parents should know that I don't have to go to bed ever,
My parents should know that I have to have my own private swimming pool.
My parents should know that I have my own private tennis lessons with my favorite teacher Melissa every day and night.

SUNNY DAY

It's a sunny day the grass shines green. A pleasant wind blows in the trees. The sun is hot the, day is warm. Children play outside all day and have lots and lots of fun. Spring and summer are lots of fun. So be happy when there here cause there not for long.

Maura Mathieu

If kids were in charge of the school we would make every period free time. We could go any where we want. If kids were in charge of the school we would make the teachers take lessons from the kids. And the kids could boss the teachers around. If kids were in charge of the school Teachers couldn't boss us around.

If I were in charge of the Universe

IF I were in charge of the Universe I'd make sure my brother didn't beat me up.

IF I were in charge of the Universe I'd cancel school.

IF I were in charge of the Universe I'd make sure the Patriots would win the SuperBowl and get the best players.

IF I were in charge of the Universe I'd be big and strong.

IF I were in charge of the Universe I'd make a planet called sports planet that only boys can go on.

IF I were in charge of the Universe I'd make sure the Orlando Magic win the NBA championship every year.

IF I were in charge of the Universe I'd make sure Godzilla attacked the girls.

IF I were in charge of the Universe I'd win the lottery.

IF I were in charge of the Universe I'd get tickets for me and my friends to the football, basketball, and baseball games.

IF I were in charge of the Universe I'd make Umass win the national championship every year.

IF I were in charge of the Universe I'd make sure there was no CCD and Hebrew school.

IF I were in charge of the Universe I'd have every video game ever made.

IF I were in charge of the Universe I'd make sure everybody could go to sleep late.
