DIRECTIONS:

Please prepare a written report (typed or in neat cursive) that includes the following:

- Paragraph one:      Setting
- Paragraph two:      Brief summary of the story
- Paragraph three:    Detailed description of the main character(s).
- Paragraph four:    How book was chosen/your recommendation and rating

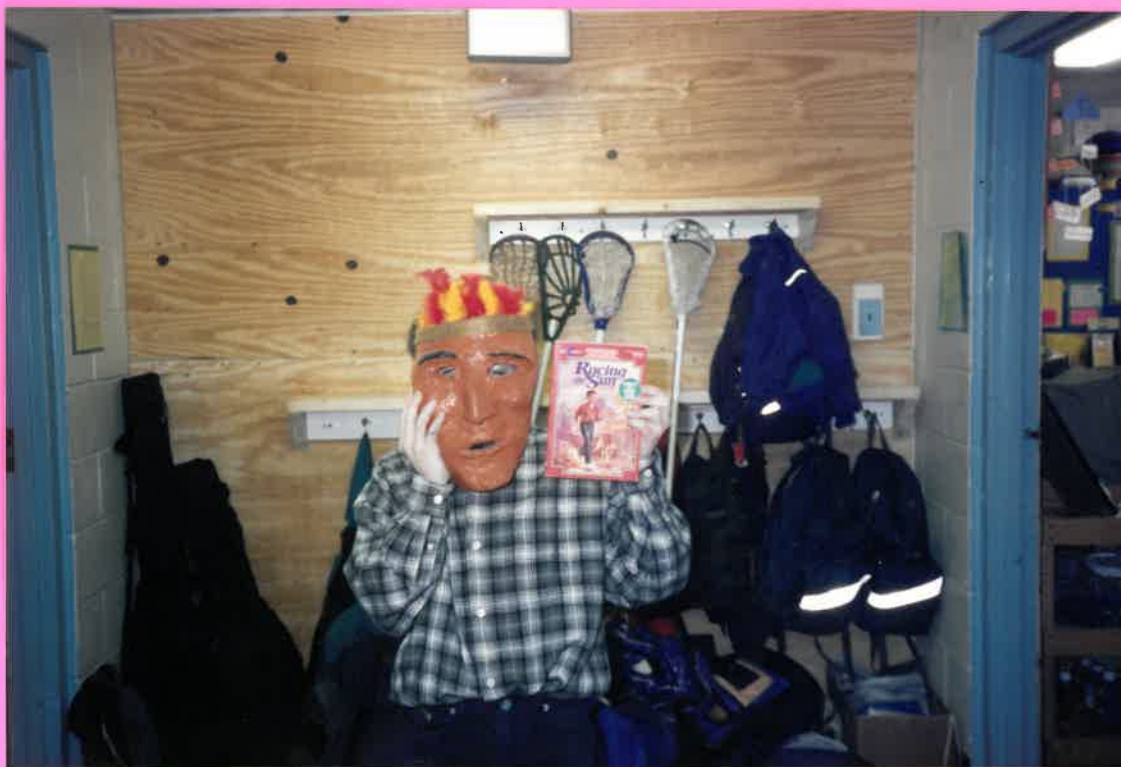

For your project, please choose one of the following:

- A. Character Mask - homemade, not purchased! Use all sorts of materials (papier mache, cardboard, felt, feathers, ribbon, paint, etc.) to create a mask you can either wear or hold in front of your face. It should represent the main or an important character.
- B. Character Hat - Again, make this yourself, don't buy it! Create a hat that reflects the main or important character's personality. You can attach all sorts of things to the hat as long as they have something to do with the character.
