CENTAURUS HIGH SCHOOL

Warrior Weekly News

News From The Principal

We made it! This has been a long year with unique challenges, but I do feel like we are ending the year on a positive note. I would like to thank all members of the Centaurus faculty and staff this year for their hard work and for continually adapting to changing conditions. I would also like to thank all of our students for their perseverance and willingness to continually adapt this year. I am proud of each and every one of our students for how they handled themselves this year. Finally, I would also like to thank the Centaurus parents and community for your patience and support this year - I really do appreciate it.

Please look for communication from me over the summer around the start of the 2021-2022 school year.

Have a great summer!

Daniel Ryan

Centaurus Points of Pride - Spring Athletics

School is out for the summer, but CHSAA sports continue through June 26.

GIRLS TENNIS:

The Warriors hosted Erie High School Thursday! Their Regional Tournament will start on June 1 at Niwot High School. Go Warriors!

GIRLS GOLF:

Our team travelled to Coyote Creek in Fort Lupton for a varsity tourney - a beautiful day on the course. The JV team did a nine-hole scramble, which was perfect for them to continue to improve their game!

BASEBALL:

After graduation, the varsity team headed to the Western Slope for a double header in Grand Junction, on a charter bus, travelling in style. The boys hosted Greeley Central yesterday.

GIRLS SOCCER:

The varsity team hosted Holy Family yesterday and will play at Skyline HS next week! Good Luck Warriors!

Track Invitational

Centaurus hosted their home Track invitational last weekend. Thirty teams attended the meet.

For the third week in a row, Maggie McCleskey broke a Centaurus Track school record. Maggie ran 5:03.37 in the 1600m to break her own 1-week-old school record by 9 seconds. She took first place in the 1600m race by a little less than a second, outkicking the second place finisher on the final lap.

Senior James Overberg was 2nd in the 1600m running an impressive 4:22.59, closing his last lap in 60 seconds

Senior Kai Smith won the boys 3200m in a personal record of 9:45.15.

The boys 4x400m of Jack Carlson, Kyle Berg, Tyrese McClinton-EL and Jacoby Ennis took home the win in 3:31.96

HEADLINE NEWS: IMPRESSIONISM EN PLEINE AIR

From Madame Ladouceur:

Yes! We got to paint on Friday, May 21st by our beautiful Coal Creek as the Impressionists - Monet, Morisot, Degas... just to name a few.

My French 2 students and myself had a terrific tranquil time painting. Class presentations took place on May 26th.

Happy summer everyone!

ANNUAL CHECK IN

Our Check In event for the 2021-2021 school year will be held in early August. All students should attend to have their student ID photo taken at that time. Families may also drop off medical forms/medications and purchase parking permits or activity passes. **More details regarding the Check In will be emailed to families in late July.**

We will use the following schedule:

Tuesday, August 3	Freshmen
Wednesday, August 4	Sophomores
Thursday, August 5	Juniors
Friday, August 6	Seniors

Be sure to complete the required [Annual Data Update](#) within Infinite Campus prior to attending.

SUMMER ASSIGNMENTS FOR THE 2021-2022 SCHOOL YEAR

Teachers are currently compiling summer reading and assignments for courses that require extra preparation before the new school year. [Check for this listing on the Academics page of our website.](#) Assignments will be posted to the website as they come available.

CENTAURUS 1:WEB - STUDENT CHROMEBOOK REPAIR - SUMMER 2021

If your district-issued Chromebook needs repair, you have the opportunity to have it repaired before returning to school in August! It is highly recommended that you arrange for repairs during the summer to avoid repair delays in the fall and so that your Chromebook is ready when you start classes.

All Chromebook repairs between May 20 and July 30 will be completed through the BVSD IT Service Desk. Students/families should call the IT Service Desk at 720-561-4357. The IT Service Desk can troubleshoot and resolve many issues over the phone. If they are unable to resolve the issue over the phone, they will instruct you to drop off your Chromebook at the IT Service Desk for repair and provide information about how to pick up the repaired device. The BVSD IT Service Desk is located at [6600 Arapahoe Road, Boulder](#) (see [this document](#) for office location).

Regular Office Hours (for Spring through May 28 and for Fall beginning July 26): Monday-Friday, 7:00am-4:30pm

Summer Office Hours (June 1 - July 22): Monday-Thursday, 7:00am-5:00pm

Note: IT Offices are closed on Fridays during the Summer, and closed on Monday, May 31, and Monday, July 5.

Payment: Note that most repairs do not incur fees. Repair fees cover the cost of replacement parts. Students are required to pay the repair fee, if any, prior to picking up your Chromebook. Please check your RevTrak account to review and pay your fine.

Questions: Please call the BVSD IT Service Desk at 720-561-4357

YEARBOOKS

Students/parents can still order 2020-2021 CHS yearbooks at www.yearbookforever.com.

The yearbook staff will finish editing the yearbook near June 1st, meaning the printed copies will arrive here from the publisher sometime in the 3rd or 4th week of July. We will be sending emails to all students to inform them of distribution methods when the dates are finalized.

For further information, please contact the yearbook advisor jeb.offutt@bvsd.org.

WARRIORS READ!

Our Warriors Read! program invites all students — regardless of grade level or course — to select a text that best matches their reading preferences and reading levels to enjoy over the summer. This is optional unless your teacher or program has asked you to participate!

There is no assigned book, no written assignment, and no project. Just read a book that interests you. (Please note that some LA classes have required summer reading assignments. Students who are entering a class with required summer reading are welcome to participate in this program too!)

If students already have a book they want to read, that's great! If not, we have curated a list of suggested titles by asking CHS staff members for book recommendations. Those suggestions as well as information about how to access books over the summer is located on our [Summer Reading Website](#).

Happy Reading!
