

Florence Elementary School

Amanda Clark, Principal

Dr. Leah McCullum, Assistant Principal

Dear Parent/Guardian,

Summer is a great time for your child to practice what he/she has learned throughout the school year. There is no better activity for your child than to engage in reading for enjoyment. Not only will your child discover the joy of being lost in a book, he/she will practice the many skills and strategies they have learned all year.

Teachers and other educators identify summer learning loss as a major challenge when starting off the new school year. However, students who read over the summer return to school ready to continue their learning with little or no learning loss.

Florence Elementary expects every student to read at least one book this summer and to return to school in August prepared to share their book report with the class.

Summer reading is meant to be enjoyable and we do not want students to have to struggle; we want reading to be fun and relaxing. The student's individual reading level and interests should guide the book choice. We ask the student chooses a book on or close to grade level. The important thing is that students read, read, read!

Sincerely,

A handwritten signature in black ink that reads "Amanda Clark". The signature is written in a cursive, flowing style.

Amanda Clark
