Dear Parents and Guardians,

I hope your child has had a successful 6th grade year. While we have faced many challenges with COVID, it has been a joy to get to know your children and watch them progress with learning and growing as individuals.

In order to prepare for 7th grade we ask that all parents and guardians review their child's courses for next year. In most cases, their courses have been rolled up from 6th grade to the next level.

We ask that you complete this [verification form](#). Contained in the form is a video with directions on how to view your child's courses for next year. This information and link will also be posted on our website.

If you have any questions or concerns, please indicate this on the form or contact me or your child's counselor Ms. DiStefano or Mrs. Karolus. We understand that your child may wish to change their music selection for next year. We ask that they first contact their current music teacher to discuss the request. A decision will be made after that conversation and changes will be made if possible. Please understand that some requests may not be possible.

Thank you,
Ken Seltzer
Assistant Principal
