

Measurable Results Assessment

As part of our Leader in Me program, we use the input of families to determine the impact the 7 Habits and the Leader in Me is having on our school community. We use the information from the Measurable Results Assessment to help us determine these results. You will find a link to the survey in Campus Updates. We only need 1 entry per family. The deadline to complete this is June 4th.

Once you have completed the survey, please fill out and return this form in your child's Friday Folder to be entered into a drawing for a gift card you can enjoy together! You only need to return 1 form per family.
