

The C2C Program is officially back up and running at Northwest Mississippi Community College. Visit the [Complete 2 Compete](#) home page to get started!

Our commitment remains the same — helping former students finish what they started by removing barriers to completing their degrees.

What remains unchanged:

- **Unique degrees** featuring flexibility in fulfilling core requirements
- **Personal coach support** from transcript review through graduation
- **More online courses**
- **More flexible schedules** than ever!

What's new:

- **Renewable C2C Grant** – the \$1,000 grant will again be available. In an effort to serve those students most in need, grant eligibility will now consider household income. Details are available on the [C2C website](#).

Note: C2C Grant funds are distributed to eligible students on a first-come, first-served basis and subject to funding availability, so act now!
