Discussion Items	Action
Introductions	Corey called the meeting to order, 01/08/20 minutes approved
Treasurer's Report	Brenda provided a hard copy Treasurer's report. She indicated that she has an invoice where the Booster Club funding recipient claims to have received the Booster Club payment but she has no record of paying it. She will investigate further.
Principal's Update - Devon La Rosa	<p>Devon indicated that Freshman class has good "on track" numbers. "On track" is determined by attendance and grades. He announced that Resource Officer, Justin Cumley, has replaced Officer Johnson. Officer Johnson has moved from LHS Resource Officer to detective in MPD. Devon then briefly went over the rest of the points on the handout he provided.</p> <p>Devon and Athletic Director Mark gave a description of plans to handle the large crowds at the upcoming boys basketball home games, Sun Prairie and East. LHS students who are "on track" and would like to attend the games will receive wristbands during the school day before the game. They will then be able to enter the gym without having to wait for admittance. This procedure should significantly lessen the number of people in line.</p> <p>Devon announced that his contract to be Principal at LHS has been officially approved for another year.</p>
Electronic Sing Update	The funding and the vendor are both set for building and placing the two previously approved electronic signs. The Madison City government approval procedure is what is holding things up. Corey and Greg will look into what specific Madison City Government procedure is causing the delay.

Athletic Director's Updated	Mark indicated that he and his staff are continuing to work on the athletic department monetary issues. He has met with an expert on resolving monetary issues in similar situations. He indicated 60% of athletic funding goes to busing the teams. MMSD does not own buses for athletic purposes so schools must rely on contractors.
Teacher Lunch	The date of 3/20/20 is in conflict with a National Honors Society event. However, no other date will work. The Booster Club will ask the NHS if a date switch is possible.
Lancer Second Chancer	This year, corporate sponsors are getting more emphasis. Event sponsorship will have different sponsorship levels. Requests for event raffle donations, like sports items, are being made. The event will have a dessert auction. A find-raising live website for auction items should be available 2 weeks beforehand.
Concessions	Katy would like to have more people sign-up for concessions, especially for the games with high attendance. Jody is going to help Katy diagram tasks for concessions to help with smooth transitions for when Katy steps down from concessions lead.
Solo & Ensemble, 2/22/20	A sign-up genius exists for volunteer help. Judges will be provided lunch. Adults are needed to man the front desk.
Scholarships	Should the Booster Club provide more scholarships? Uniform funds might not be needed as much due to MMSD funds. <b>Motion: Add \$2000 to scholarship fund. The motion carried.</b> The Booster Club will not have eight \$500 scholarships.
<b>Next Meeting</b>	Next Meeting will be 3/11/20
