

STUDENTS

Provision of Medical Assistance, Training and Insurance

- 1) Prior to each sport season each school shall prepare a schedule for the athletic trainer which provides for equal assistance to boys and girls sports teams. The schedule shall be submitted to the Title IX Compliance Officer for review.

The Title IX Compliance Officer shall have the authority to order changes in the schedules where needed.

- 2) Annual reports, prior to each school year, will be submitted to the Title IX Compliance Officer showing medical and insurance offerings, if any.
