

STUDENTS

Provision of Equipment and Supplies

- 1) Each school with an Associated Student Body shall submit activity-by-activity budgets to the Board of Directors as part of the budget adoption process. At the end of each sport season, a summary of expenditures will be submitted to the Title IX Compliance Officer. In cases where deviations from budgeted amounts are noted, a statement of rationale will be required.
- 2) A year-end inventory of equipment and supplies along with a sport-by-sport summary report of expenditures for equipment and supplies will be maintained at the building level.
- 3) A review committee at each school, composed of students, parents, coaches and administrators, will review current inventory and make recommendations regarding equity needs.
