

MMSD Healthy Classroom Snack List

The Madison Metropolitan School District's Healthy Classroom Snack List was developed to help parents and school staff select healthy and nut-free snack options when bringing in snacks for the entire class for events such as birthdays, holidays, rewards, etc. We take great care in making sure all students feel welcomed and safe within the classroom. Certain foods may trigger life threatening allergic reactions.

Nutrition Guidelines for Healthy Snacks

In order to qualify as a healthy snack, the snack should...

- **Contain 200 calories or less per serving**
- **Include less than 2 grams of saturated fat**
- **Include zero (0) grams of *trans* fat**
- **Contain less than 200mg of sodium per serving**
- **Include zero (0) grams of added sugars**
- **Have a whole grain, fruit, or vegetable listed first in the ingredient list**

Snack Preparation Recommendations

Snacks should be...

- Appealing and taste good to kids
- Cleaned and cut ahead of time for easy serving (fruits and vegetables)
- Put in snack baggies for easy serving

Other tips:

- To keep apple and pear slices from turning brown, sprinkle with lemon juice.
- Send necessary utensils, plates, and/or napkins, with your student if needed

Food Allergy Guidelines

- Ask your teacher or program instructor about students with allergies in your child's classroom or program before bringing in snacks for the entire classroom or group.
- Check ingredient statements and nutrition labels on food products to ensure the products are free of offending allergens.
- Snacks containing peanuts, nuts, or seeds are **not** recommended.

Ideas for Non-Food Celebrations & Rewards

We know that birthdays and other celebrations are important to every child and that kids like to celebrate with their classmates. Below are some suggestions for non-food celebrations and rewards. Check with your child's teacher first to make sure the birthday plans fit into their schedule.

- Bring party favors in for each classmate (bouncy balls, erasers, stickers, decorative pencils, bracelets, notepads, whistles, bubbles, washable tattoos, chalk, etc.).
- Buy something for the classroom (books, board games, music, art supplies, playground equipment, plants or flowers, etc.).
- Connect with your child's teacher to learn about other non-food celebrations or rewards that promote wellness. Some ideas might include extra physical activity time and free choice time.
