

Benchmark Student Supplies 2021-2022

In order to be prepared for the start of school, it is important for your child to have certain school supplies. Each student is expected to come to school on the first day with the following supplies:

- An appropriately sized binder (Approximately 1 ½" D-ring has seemed to work for most students. *A pocket folder-type binder is strongly discouraged.*)
- A supply of notebook paper (wide-rule recommended for 6th grade, college rule for 7th & 8th grades)
- A good supply of pencils
- A pencil holder for the binder
- Set of 5-tab dividers (*Set of 8 may be needed by 8th-grade students.*)
- Book covers
- Headphones/earbuds with microphone - Students need headphones/earbuds (with microphones recommended) that they can keep at school.
- *Strongly Recommended:* 13" MacBook Air sleeve
- *8th-grade students:* large package of 5" x 8" index cards (pkg. of 100)
Please note the size, as smaller cards will not work for the intended purpose.

★ Students will want to have extra supplies available at home.

Please remember that if you order from Amazon that you do so through smile.amazon.com and be sure that you have selected Benchmark School, Media, PA as the recipient of your "smiles."
