A Message from Ms. Nagel, Principal

The end of the 2020-2021 school year has come upon us. I would first like to thank you for being such an important part of the Crestview Team and partnering with us in your child's education. Without your support, assistance, and encouragement during this difficult and very unusual school year, we couldn't have done it. We appreciate your dedication to your child's future and are looking forward to a hopefully more "normal" school year this coming fall. Thank you again for a year that we will NEVER FORGET! Enjoy your summer with your families and friends!

Mr. Maxie, PE Teacher

I am Mr. Maxie, your P.E. teacher, and this is my 25th year of teaching. I am married to Mrs. Maxie, a 3rd grade teacher, here at Crestview. I have two amazing daughters that are both in high school. My hobbies or activities that I enjoy are reading, swimming, gardening, and hiking. My favorite place is probably the

Mr. Del Rio, Resource

Hello Crestview Parents!
My name is Richard Del Rio
and I am a Resource Specialist
here at Crestview.

I am a Central Coast native
who was born and raised in
Santa Maria. I attended the
local Catholic schools from
elementary through high
school. After high school I
served in the U.S. Navy for
10 years as a Fire Controlman
(Harpoon missile systems
technician). While in the Navy
I completed a Masters from
California State University,
Long Beach. I then worked for
22 years at the Federal
Correctional Institution in
Lompoc as a Drug Treatment
Specialist.

Prior to coming to Crestview,
I worked as a substitute
teacher throughout Lompoc
Unified School District. After
two years of doing this, I
decided to pursue an
Educational Specialist
Credential. I feel very
fortunate to work with your
children here at Crestview. I
look to support them to be
successful as best as possible.

As I shared earlier, having
been in the U.S. Navy and
circumnavigated the world, I

Monday, Wednesday, & Friday

10:30 am - 12:00 pm

The July 4th holiday will be observed
on Monday, July 5th.

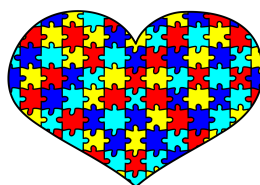

beach, a swimming pool, or my backyard. Whenever I am asked what is the best part of being a teacher, I immediately respond, "It is the students!" It is absolutely true and the best part of each day at school.

Mrs. Collingwood, SDC

My name is Shannon Collingwood and this is my 3rd year as the SDC teacher at Crestview. I earned my bachelor's degree in Liberal Studies from CSUCI in 2016. I then attended CalPoly to earn my Mild/Moderate Educational Specialist Credential and an M.A.Ed with a specialization in Special Education. I finished that program in 2017.

During my free time I enjoy spending time with my husband and children. I have a daughter (3), and son (2). We enjoy visiting the areas that Santa Barbara has to offer. We frequently enjoy visiting the Solvang Mission and the Santa Barbara Zoo.

learned what a great place the Central Coast is to live. I try to share my love of this area with my family by enjoying the local mountains and beaches of California.

Mrs. Dean, Lit. Specialist

Hello Crestview Families! My name is Krista Dean and this is my third year as a Literacy Specialist here at Crestview. I am a :California native, mom of two little girls, military spouse, and enjoy every day that I get to work with your children. My career in teaching has led me all over California. Additionally, I spent several years teaching first grade on the Minot Air Force Base. Brrrrrr!

I've spent almost 20 years as a lower elementary school teacher and soccer coach. I earned a Master's degree as a Reading Specialist, with hopes of focusing on helping students engage in reading. This led me to Crestview and allowed me to spend my days doing exactly what I love. I also enjoy: cooking, EATING, running, playing soccer, and most outdoor activities. My dream is to write children's books and I hope to begin the adventure this summer!
