

## ENGLISH II CP II SUMMER ASSIGNMENT

I. You are to read the drama, *Inherit the Wind*, by Jerome Lawrence and Robert E. Lee. Afterwards you are to research the court case called the “Scopes Monkey Trial.” In an essay format write out what you discovered about the case. Do not merely copy and paste information that you find on any websites, but type the information in your own words. Make sure that you answer the following questions:

1. What was the case about?
2. Who were the major figures that were involved in the case?
3. When and where did it occur?
4. What was the outcome of the case?

Also, make sure you write about how you felt the two cases connected. For example, include how the play was similar to the real court case and how it was different from the real court case. **This will be due on the first day back to class and a written test will be given on the drama as well.**

### II. Creative Writing

Write a poem (of at least 10 lines) or a rap about freedom of speech. Your poem can be any type. The poem does not have to rhyme unless you like that format. The content can relate to this play or it can be based on general information about freedom of speech. Be sure to type this poem or rap and have it **ready on the first day back to school.**
