

English III Honors Summer Assignment

I. Please procure and read *Educated* by Tara Westover. This book is Westover's memoir about growing up in a survivalist Mormon household that eschewed traditional schooling and modern medicine.

II. Westover titled her book *Educated*, which in many ways reflects her often contradictory experiences: lessons she learned from her family at home and lessons she gained from traditional educational settings (classrooms, lectures, college).

a. Write a 250-500 word response addressing the following two questions:

- i. What were Westover's most important moments of "education"? How did they shape her?
- ii. What have been YOUR most important moments of "education"? How have they shaped you?
- iii. **This assignment must be emailed to Ms. Baulch (cbaulch@covcath.org) or submitted through Canvas by Wednesday, August 11.** You will receive an email back confirming receipt.
