

## **Cannon Cougar Athletes Spirit of Athletic Competition**

I will participate on the \_\_\_\_\_ team at Cannon School. I recognize that participation as a Cannon Cougar Athlete is a privilege. In response to this privilege, I agree to the following:

- I promise to take care of my teammates in and out of the venue of competition.
- I will compete to the best of my physical, mental, and emotional abilities.
- I will focus on my teammates, my coaches, and my performance when I am practicing or competing with my teammates.
- I will represent myself, my team, and my school in a positive manner at all times in and out of competition.
- I will play the sport; I will let the coaches coach; I will let the officials officiate; and I will trust that they will all be participating fairly and to the best of their abilities.
- I will respect my teammates, my opponents, my coaches, and the officials.
- I will respect the sport.
- I will respect and honor those Cannon School athletes who have come before me and to whose effort and commitment I am indebted.
