

PERSONNEL

Student Teachers

The board of directors recognizes the importance of on-the-job training for persons aspiring to become teachers. The board of directors encourages cooperation with colleges and universities within the state in the training of student teachers.

The board of directors authorizes the superintendent to honor those reasonable rules, regulations and training guidelines of the teacher training institution. The teacher training institution shall be expected to provide liaison personnel who shall work cooperatively throughout the training process with the building principal and the supervising teacher.

Student teachers shall comply with the health examination requirements of the State of Washington and the policy of the district as it applies to certificated staff. The supervising teacher and the building principal shall be responsible for the conduct of the student teacher.
