

Dear Parents,

Here are activities that you can do with your child this summer to help get ready for school this year:

- Please read at least one book a week and fill out the reading log. On the first day of school, send in the completed reading log along with your child's favorite book that was read. During the first week, the students will share what their favorite books were to the class.
- Please practice letter recognition, counting, and name recognition.

Thanks and have a great summer!

-Ms. Howard
