Dear Parent(s)/Guardian(s) of Grade 6 Students:

This letter provides updates to my letter of May 19 outlining the grade 6 graduation ceremony on Friday, June 18, from 2:30-3:30 p.m. [You can review that May 19 letter by clicking here.](#)

- I am pleased to announce that, if weather permits an outdoor ceremony, we will be able to accommodate families who need to bring 3 guests rather than 2. [Please use this Google Form](#) to request 3 seats. For our planning, please complete this form by Friday, June 11.
- The outdoor seating area is unshaded; therefore, guests for whom sitting outside in potentially high temperatures will be difficult are encouraged to view the live-streamed ceremony from the comfort of their homes.
- To ensure the required social distancing and aisle space, all seating will be provided by Beecher Road School; guests should not bring their own chairs.
- Masks for all those in attendance will be required.
- If your child will not be participating in the ceremony, please [e-mail Judy Silva](#) by Fri., June 11.
- If any of your guests will require handicapped parking, or any additional accommodations, please [contact my office](#) by Fri., June 11.
- If your child will be participating in the ceremony, but will not have transportation home, please [contact my office](#) by Fri., June 11, and we will make the necessary accommodations.

Please do not hesitate to reach out if you have any questions. We are looking forward to an excellent event on June 18 to honor Beecher's graduates!

Sincerely,

Jonathan S. Budd, Ph.D.  
Superintendent
