

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

The Hampton Township Board of School Directors held a Voting Meeting on Monday, October 12, 2020. The Meeting was held in the Arlene J. Bender Student Conference Center, A.W. Beattie Career Center, 9600 Babcock Blvd., Allison Park, PA 15101. The Meeting was also conducted in a simultaneous virtual platform to honor the social distancing requirements along with the mandated restrictions and closures in place concerning COVID-19.

Meeting

Attendance: Ms. Denise Balason, Mrs. Jill Hamlin, Mr. Matt Jarrell, Ms. Joy Midgley, Mr. Robert Shages, Mr. Greg Stein, Mr. Larry Vasko, Mrs. Trisha Webb, Mr. Bryant Wesley, Dr. Michael Loughead and Dr. Rebecca Cunningham, Mr. Jeffrey Kline and Ms. Kate Diersen along with a few Hampton Township residents.

Attendance

The meeting was called to order followed by the Pledge of Allegiance. Mr. Bryant Wesley served as Chairperson of the meeting. Mrs. Michelle Ambrose served as Recording Secretary.

Mrs. Webb introduced Pennsylvania State Representative Lori Mizgorski. Mrs. Webb stated that with the assistance and guidance of Ms. Mizgorski, the District was awarded a \$400,000 grant through the Allegheny County Redevelopment Authority and the Commonwealth Financing Authority. Mrs. Webb announced that the funding will be utilized for the necessary roof repairs at Hampton High School.

\$400K State Grant
Funding, HS Roof
Repairs

Ms. Mizgorski thanked the Board for their recognition, and noted that it was a pleasure to advocate for the District. Ms. Mizgorski stated that she is grateful for how Hampton Township School District keeps the lines of communication open with her office especially during these challenging times.

Mrs. Webb and Dr. Loughead recognized District student(s) for their various accomplishments during the Student Awards presentation.

Student Awards

Mrs. Webb recognized an 8th grade student from Hampton Middle School for her submission to the "Doodle for Google" contest. Mrs. Webb announced that this year's theme for the contest was "I show kindness by..." Mrs. Webb stated the student's submission focused on clay children, around a wire tree, setting up a Google banner. The student explained that the children were showing kindness by patiently working together, such as the kindness she experiences here at Hampton. The student's submission won State Level.

There was no Solicitor's Report this evening. Solicitor's Report

The following information was presented and/or action taken on items submitted by Dr. Loughead in the Superintendent's Report. Superintendent's Report

Dr. Loughead stated that his report typically encompasses the District's Academics, Art and Athletics.

Under the umbrella of Academics, Dr. Loughead recognized the hard work put forth by District Administration and faculty during today's professional development day. Dr. Loughead noted that the focus for today was to analyze student assessments to determine academic growth and achievement. Dr. Loughead stated that this data will guide teacher instruction as we continue forward in the hybrid model and as the District transitions to full in-person instruction. Professional Development Day – Student Assessments

Mr. Stein inquired if the Board could be updated with the findings from this data analysis. Mr. Stein stated that he would like to see a comparison between the student

HAMPTON TOWNSHIP SCHOOL DISTRICT
 4591 SCHOOL DRIVE
 ALLISON PARK, PENNSYLVANIA 15101
 OCTOBER 12, 2020 MINUTES

assessments from this year, with students learning under the hybrid model, and a standard school year. Dr. Loughead stated that the information may be shared with the Board likely at next month's meeting.

Under the umbrella of the Arts, Dr. Loughead highlighted the creativity of the faculty to find innovative ways to push the curriculum in a safe manner. Dr. Loughead noted the Marching Band and Pep Band for their efforts during the home football games. Dr. Loughead stated the Band's energy truly aided in the spirit of the games especially with the limited number of fans as permitted to attend.

Under the umbrella of Athletics, Dr. Loughead recognized that several teams are concluding their fall seasons in a positive manner. Dr. Loughead highlighted that the Boys' Golf Team did beat Mars this year. He noted the fun rivalry between the two schools. Dr. Loughead stated that both the Boys' and Girls' Soccer Teams have had outstanding seasons and the District will cheer them on through the playoffs. Dr. Loughead reported this past Friday was senior night for the Varsity Football Team and for the Marching Band. He noted that the event truly felt like a real Friday night high school football game. Dr. Loughead concluded his report highlighting the Girls' Volleyball undefeated season to date. He noted this is definitely a team to watch and with the new guidelines more fans can be accommodated for their games.

The following information was presented and/or action taken on items submitted by Ms. Balason of the Facilities Committee.

Facilities

Upon motion from Ms. Balason, seconded by Mr. Stein and carried unanimously by voice vote, the Board accepted the \$400,000 in grant funding from the Gaming Economic Development Tourism Fund for use for roof repairs at Hampton High School, and acknowledged the assistance and efforts put forth by State Representative Lori Mizgorski to obtain this funding.

\$400K Grant
 Funding - Gaming
 Economic
 Development
 Tourism Fund

Ms. Cassandra Renninger and Mr. Chris Brown both from VEBH Architects and John Taormina, P.J. Dick, were all present this evening to provide a detailed presentation regarding the progress to Phase I of the High School Renovation Project.

High School
 Renovation Project
 Phase I Update
 Presentation

Ms. Renninger stated that Phase I to the High School Renovation Project can be broken down into five major categories:

- A. Site Upgrades – Safety & Circulation Upgrades & Paving Improvements
 - Phase I would incorporate 3 separate exits/entrances to the High School campus from Topnick Drive. Each entrance/exit would be specific in purpose for traffic use.
 - The White Field would be converted into a paved practice lot. This lot would double as additional parking for various events held in and around the building

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

- B. Roof Upgrades – Replacement & Repairs
 - A large portion of the roof is from the original construction in 1967 - well past the end of life and will need replaced
 - The newer areas of roof added in 1999 are also at the end of life and should also be replaced
 - The roof greenhouse will need addressed
 - Roof liters and drains will need addressed
- C. Natatorium Mechanical Unit Replacement (HVAC)
 - The unit is beyond end of life and failure is imminent
- D. New Data Center – District-wide Data Room, IT Offices, Communication System
 - This area will address a new data center for the District
 - Provide needed office space for the IT Department
 - Provide a loading dock for the building
- E. Library/Media Center – Addition and Keystone for Future Phases
 - This addition to the existing building will become the academic hub for the academic wing of the High School.
 - Additional classroom spaces will be incorporated around this area for a variety of uses including yearbook, support classrooms and a studio space as well
 - IT Department help desk will be housed in this area with the setup of a Apple Genius Bar
 - Various small group areas would accommodate collaborative learning experiences
 - Natural lighting would enhance the area from the ceiling as well as the windows facing the current staff parking area.

Ms. Renninger and Mr. Taormina stated that the construction cost of Phase I will be approximately \$16 million to \$17.5 million. However with additional costs such as financing and furnishings the cost potentially could be closure to \$22 million.

Ms. Renninger stated that scheduling a meeting with the Township to discuss aspects of the project should be a part of the next steps in the process. The Township was invited to preliminary meetings at the beginning of the renovation discussions, but has not been included in any of the design aspects. As such Ms. Renninger stated a meeting with the Township would be relevant with some of the aspects such as the additional entrances/exits onto Topnick Drive and paving of the White Field.

Mr. Richard Farino, Supervisor, Buildings & Grounds was present to provide the Board with additional information regarding HVAC Bipolar Ionization. Mr. Farino had previously discussed that Bipolar Ionization allows for better air filtration. The units aid in filtration against air impurities such as viruses among other things. Mr. Farino reported that the bipolar ionization units are approximately \$500 each and have a lead time of 4-6 weeks. He indicated that the cost to the District would be approximately \$275,000 for all facilities to be retrofitted with these units. Mr. Farino noted that the District HVAC employees may obtain certification to install the units which would aid in the cost of such

Bipolar Ionization
Update

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

a project.

The Board discussed the matter and was unanimous in the decision to proceed with making a motion to approve the project. Mr. Farino noted that the units may be available on the state bid list.

Upon motion by Mr. Wesley, seconded by Mr. Stein and carried unanimously by voice vote, the Board authorized District Administration to solicit bids for the Bipolar Ionization units, should these units fall under state contracted pricing, the Board approves the Administration to purchase the units in an amount not to exceed \$275,000.

Bipolar Ionization
Units

The following information was presented and/or action taken on items submitted by Mr. Vasko of the Finance Committee.

Finance

Ms. Lisa Chiesa, Clark Hill, Chip McCarthy, Piper Sadler, Mr. Larry Vasko and Mr. Jeffrey Kline provided the Board with potential bond options to fund Phase 1 of the High School Renovation Project.

Bond Issue
Presentation

Mr. Vasko and Mr. Kline reiterated that the Board approved a resolution to issue bank qualified bonds this past April. Ms. Chiesa and Mr. McCarthy outlined how proceeding with two \$10 million dollar bank qualified bond issues, in lieu of a single issuance of non-qualified bonds would save the District approximately \$250,000 in interest over the life of the bonds.

Mr. Vasko noted that the District would need to proceed with obtaining the first of the two bank qualified bonds before the end of the 2020 calendar year. The Board agreed on proceeding with the two bank approved bonds. However, the Board was hesitant with spending money from the 2021-2022 Budget prior to the budget process being completed.

The following information was presented and/or action taken on items submitted by Mrs. Hamlin of the Educational Programs Committee.

Educational
Programs

Dr. Loughead stated he would like a few minutes to address some questions and concerns brought forth at the October 5, 2020 Board Meeting regarding the Phased Reopening Plan.

Addressing
Questions - Phased
Reopening Plan

Dr. Loughead stated that with the return to in-person instruction, the technology accessories utilized during the closure such as Zoom and Google Classroom would not be utilized on a daily basis as it is now. He noted with the end of the hybrid schedule and a return to full in-person instruction, the students would be present in the classroom and therefore these resources would not be needed. However, Dr. Loughead noted that when students are forced to quarantine, then these technology resources would be utilized for those individuals in order to maintain their education.

Continued Use of
Technology
Resources – Zoom,
Google Classroom,
Etc.

Dr. Loughead noted that there were concerns with faculty members not "masking" throughout the day. Dr. Loughead noted that District is following the guidelines from the

Wearing of
Appropriate Face

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

Allegheny County Health Department (ACHD) regarding face coverings which do include, masks, face shields and gaiters. Dr. Loughead stated the District is expects all faculty and students to follow the mandated rules and guidelines. He indicated that this has been reiterated with all building administration, faculty and staff.

Coverings

Dr. Loughead stated that the last concern focuses on the social distancing recommendations. He noted that the social distancing guidelines of 6 feet are recommendations and not regulations. Dr. Loughead noted that the District whenever feasible is working to adhere to the social distancing recommendations, but admits it is not always feasible. Dr. Loughead noted that the PPE purchased by the District will aid when social distancing is not feasible, these items include face shields, desk shields and hanging acrylic shields.

Social Distancing

Mr. Vasko inquired if the District considered any options to allow families with anxiety over returning to in-person instruction the ability to remain hybrid.

Options to Remain Hybrid

Dr. Loughead stated that the District Leadership Team struggled with this decision. He noted that currently in the hybrid model there is time set aside for teachers to plan for both in-person and hybrid lessons. However, once the students return to full in-person instruction – the teacher’s time will need to focus on the students in the classroom. He noted this was not feasible for the District to accommodate additional hybrid students.

Mr. Jarrell inquired if the Leadership Team is concern or has pause with returning to in-person instruction as the District is experiencing positive cases of Covid throughout different buildings.

Moving Forward with Phased Plan Positive Covid Cases

Dr. Loughead stated that the District has experienced positive cases of Covid-19 and has acted appropriately with each case. He noted the District’s ongoing professional relationship and guidance from the ACHD has made for positive outcomes from these identified cases. In addition, monitoring the county’s data the cases of Covid have declined indicating no additional reason for pause. Dr. Loughead noted the Leadership Team was aware that positive cases of Covid within the District were inevitable. Dr. Loughead stated the District must continue to monitor the data, work closely with ACHD to best ensure we are operating appropriately.

Mr. Shages left the meeting.

Mr. Shages left the meeting.

Mrs. Webb asked about the input the teachers have provided regarding the Phased Reopening and positive Covid-19 cases identified in the District.

Input from Teachers on the Reopening

Dr. Loughead stated that the teachers are successfully relying on the steps and procedures in place for the identification of an individual with Covid-19. Dr. Loughead stated that of course when one hears of positive cases within the District it could be unsettling, but the teachers know that they can successfully rely on these strategies and procedures for the

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

best outcomes. Dr. Loughead bluntly stated that there will be more cases of Covid-19 as the school year continues. This fact is inevitable and absolute. He noted that it is how the District handles these cases that will impact us as a school community.

Mrs. Hamlin inquired about utilizing larger spaces as classrooms to aid in social distancing in all District buildings.

Rooms to Use for
Social Distancing

Dr. Loughead responded that the Building Administration is trying to use larger spaces within the buildings for classrooms. Dr. Loughead noted that the larger spaces are limited especially at the elementary level, but administration and faculty are working to accommodate social distancing as much as possible. Dr. Loughead stated that the District has purchased additional cafeteria seating and outdoor seating for the buildings to aid in social distancing during lunch periods.

Upon motion from Mrs. Hamlin, seconded by Mr. Stein and carried unanimously by voice vote, the Board approved the Phased Reopening Plan as presented at the October 5, 2020 Board meeting.

Phased Reopening
Plan

The following information was presented and/or action taken on items submitted by Mrs. Midgley of the Personnel Committee.

Personnel

Upon motion from Mrs. Midgley, seconded by Mr. Stein and carried unanimously by voice vote, the Board approved Mr. Will Stiglitz, Middle School Special Education Teacher, who has attained tenure status effective October 12, 2020.

Mr. Will Stiglitz,
Tenure

Upon motion from Mrs. Midgley, seconded by Mr. Stein and carried unanimously by voice vote, the Board approved Mr. Mark Gartner to serve as a Middle School Hampton Online Academy Support Teacher on Special Assignment (TOSA), effective September 28, 2020. There is no change in salary.

Mr. Mark Gartner,
TOSA Middle
School HOA

Upon motion from Mrs. Midgley, seconded by Mr. Stein and carried unanimously by voice vote, the Board approved Ms. Erin Cover as a Building Substitute at Hampton Middle School from September 24, 2020 through the end of the first semester of the 2020-2021 School Year. Salary is \$22,000, pro-rated. (Ms. Cover is replacing Mr. Mitchell Nordstrom.)

Ms. Erin Cover,
Building Substitute,
HMS

Upon motion from Mrs. Midgley, seconded by Mr. Stein and carried unanimously by voice vote, the Board approved Mr. Tyler Merigliano as a Long-Term Substitute Health and Physical Education Teacher from September 28, 2020 through the end of the first semester of the 2020-2021 School Year. Salary is \$33,500, pro-rated. (Mr. Merigliano is a substitute for Mr. Mark Gartner.)

Mr. Tyler
Merigliano, LTS

Ms. Brittany Wannamaker, District parent addressed the Board inquiring if there was a set number of positive cases within the schools that would require the District to change back to remote learning.	Criteria to Change to Remote Learning

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

Dr. Loughead addressed Ms. Wannamaker stating that the ACHD has provided guidance on this matter. He noted that schools closing or reverting to remote learning is decided on a case by case basis, with the criteria changing due to the size of the school, number of positive cases, etc. Dr. Loughead noted the District would work closely with ACHD to make any decision of that nature.

Mrs. Wannamaker stated that she also had emailed Dr. Loughead early today with concerns over the HOA workbooks that arrived today. She stated that the workbooks are in black and white but ask the students to identify items in color.

Concerns with
HOA Workbooks

Dr. Loughead noted that the District Administration has begun their review of the workbooks as well. He reported there were several that Administration were pleased with and others that were indeed disappointing. Dr. Loughead stated once the faculty has had an opportunity to review the workbooks, the faculty will work to make the best of the material.

Ms. Alicia Round, District parent addressed the Board, thanking them for allowing the public to continue to participate via Zoom for the monthly Board meetings. She stated she greatly appreciated these opportunities.

Gratitude for
Continued Zoom
Participation

Mr. Mark Farabaugh, Township resident addressed the Board inquiring if the Phase I High School Renovation PowerPoint Presentation would be posted to the website for review by the public.

HHS Renovation
Project Presentation
to Website

Mr. Carson Williams, Hampton High School student addressed the Board with several points regarding the High School Renovation project. Mr. Williams stated that he noted in tonight's presentation that a lot of the outdoor space currently being utilized, especially during the pandemic, "goes away" with the renovation. He listed areas such as the courtyard and the White Field that will be lost leaving less green space for students to use. In addition to the loss of these spaces, he noted that many of the classrooms will lose their windows. He stated many classes are already inward facing and this may be something to reconsider.

HHS Renovation
Comments

Mr. Carson inquired if the roof replacement aspect of the construction occurring now, would this limit the ability to add additional "fly space" above the stage in the Auditorium in later phases. Mr. Carson stated as a member of the drama club technical crew the fly space is a critical area for an auditorium. Mr. Carson encouraged the Board to talk with "industry professionals" about the potential location for the orchestra pit as well.

Mr. Carson stated he was concerned with publishing the presentation PowerPoint online for anyone to see and have access to potential blueprints. He recommended placing the presentation online but password protecting the PowerPoint presentation for District parents only.

Publishing the
Phase I
Presentation to the
Web

Mr. Carson concluded his comments with the topic of face coverings at the High School. Mr. Carson stated that he has never personally witnessed a faculty member without a face

Face Coverings

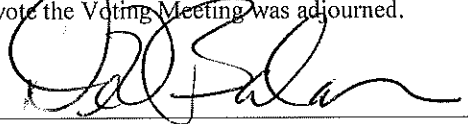

HAMPTON TOWNSHIP SCHOOL DISTRICT
4591 SCHOOL DRIVE
ALLISON PARK, PENNSYLVANIA 15101
OCTOBER 12, 2020 MINUTES

covering during the pandemic. However, he has witnessed several students without a face covering or not wearing the face coverings appropriately. He suggested finding a way for students to report other students anonymously for not adhering to the mandated guidelines for face coverings.

Dr. Loughead noted how impressed he was by Mr. Carson and his comments this evening. He stated that he would truly like to meet Mr. Carson one day and discuss some of these items further. Dr. Loughead indicated that the auditorium remodel is in the next Phase of the High School Renovation Project. He indicated that items highlighted tonight were under advisement for the remodel. Dr. Loughead stated that he liked the idea of anonymous means of reporting for students not adhering to the face covering mandates.

Upon motion by Mr. Vasko, seconded by Mr. Stein and carried unanimously by voice vote the Voting Meeting was adjourned.

Adjournment
