Ms. Lisa Ahn, District parent, Township resident addressed the Board regarding the HHS Multicultural Club and the revised District Policy No. 249 "Bullying/Cyberbullying." Ms. Ahn stated she was concerned over comments reported to parents after the HTSD Board meeting last Monday. In particular, while discussing the revised Policy No. 249, she believed that it was implied that clubs such as the Multicultural Club were responsible for addressing or correcting bullying issues. She stated that was not the focus of the club when it was founded. As a parent she did not feel it was the responsibility of any student group to address issues in the schools.

Multicultural Club
and Revised Policy
No. 249

Dr. Loughhead addressed Ms. Ahn, reassuring her and all parents that under no condition would a student group be looked at to address or correct issues such as bullying. He noted the addressing student issues is the responsibility of District Administration. Dr. Loughhead noted that students as individuals or as groups are expected to be responsible only for their own words and actions. However, he believes it is everyone's responsibility, students included, to report to administration any concerns or witnessed events of bullying or any other issues.

Mr. Mark Farabaugh, Township resident inquired with the Board if Mr. Donald Palmer had assumed the position of HTSD District Solicitor officially or if that title remained with Mr. Patrick Clair. Mr. Palmer responded that Mr. Clair remains the District's official Solicitor.
