

HAMPTON TOWNSHIP SCHOOL DISTRICT

SECTION: ADMINISTRATIVE
EMPLOYEES

TITLE: HIV INFECTION

ADOPTED: April 28, 2004

REVISED:

	314.1. HIV INFECTION
1. Purpose	<p>The Board is committed to providing a safe, healthy environment for its students and employees. The purpose of this policy shall be to safeguard the health and well-being of students and employees while protecting the rights of the individual.</p> <p>The Board, in consultation with the Allegheny County Health Department, shall establish the following policy for the management of infected employees in the school setting.</p> <p>This policy is based on current evidence that the HIV virus is not normally transmissible by infected individuals within the school setting, except as noted in this policy.</p>
2. Definitions	<p>HIV – Refers to the disease caused by the HIV or human immunodeficiency virus.</p> <p>AIDS - Acquired Immune Deficiency Syndrome.</p> <p>CDCP – United States Public Health Service Center for Disease Control and Prevention.</p> <p>Infected employee - Refers to employees diagnosed as having the HIV virus, including those who are asymptomatic.</p>
3. Authority	<p>This policy shall apply to all employees in all programs conducted by the school district.</p> <p>The Board directs that the established district policies and procedures that relate to illnesses among employees shall also apply to infected employees.</p>
35 P.S. 7601 et seq	<p>The Board shall not require routine screening tests for HIV infection in the school setting, nor will such tests be a condition for employment.</p>
4. Delegation of Responsibility	<p>The Superintendent or designee shall be responsible as the central contact for handling and releasing information concerning infected employees.</p>

<p>5. Guidelines</p>	<p>The Superintendent, in consultation with the school physician, is authorized to establish administrative procedures necessary to implement this policy.</p> <p>All district employees shall maintain a respectful working climate and shall not participate in physical or verbal harassment of any individual or group, including infected employees.</p> <p>All employees shall be required to consistently follow infection control/universal precautions in all settings and at all times. Employees shall notify the school nurse of all incidents of exposure to bodily fluids.</p> <p>Building administrators shall notify district employees, students and parents/guardians about current Board policies concerning HIV infection and shall provide reasonable opportunities to discuss the policy and related concerns.</p> <p>This policy will be reviewed on a regular basis to take into account any new medical information that becomes available. The Superintendent or designee shall report periodically to the Board regarding the effectiveness of this policy and shall make recommendations for revision in accordance with developments in medical research and treatments.</p> <p><u>Assignment</u></p> <p>Decisions regarding the assignment of infected employees in the school settings shall be made on a case-by-case basis.</p> <p>The Allegheny County Health Department will arrange for a meeting to be held with the infected employee, Superintendent and appropriate staff members, employee's physician, and appropriate Health Department staff. The group will consider what steps taken will be in the best interests of the employee and the school.</p> <p>A joint decision will be made about the infected employee's assignment within the school setting.</p> <p>Decisions shall be based on the employee's physical condition, type of interaction with others in the performance of job functions, and risks to the infected employee and others in the school setting.</p> <p>First consideration shall be given to maintaining the infected employee in the regular assignment. Any decision for an alternative placement must be supported by specific facts and data.</p>
