

HAMPTON TOWNSHIP SCHOOL DISTRICT

SECTION: OPERATIONS

TITLE: AWARDS AND RECOGNITION

ADOPTED: June 23, 2004

REVISED:

821. AWARDS AND RECOGNITION	
1. Purpose	<p>The Board supports and wishes to acknowledge those members of the school community who, through exemplary achievement, continue the district's tradition of excellence.</p>
2. Guidelines	<p>Students who have attained first place, top honors, or championship status of a regional, state, national, or international nature in any academic, athletic or extracurricular school-related activity or competition will be recognized and honored by the Board.</p> <p>All other recipients of awards for second place, third place, honorable mention, etc., will be recognized by their school in an appropriate manner, as determined by the building principal. Exceptions to this policy will be made when one student wins first place in a competition and another student wins another place in the same competition. All of the students placing in the competition will be recognized by the Board and presented with a certificate.</p> <p>Honors and awards, conferred upon district professional, paraprofessional and support staff and members of the community with regard to district activities and achievements, as well as years of service to the district, will also be recognized and honored by the Board.</p> <p>Any unusual event or circumstance worthy of recognition and not covered by this policy will be left to the discretion of the administration.</p> <p>Recognition of students, staff, and community members may occur at either the work session or regular monthly voting meeting of the Board.</p>
