POSITIVE BEHAVIOR INTERVENTIONS & SUPPORT

Over the past year our learning environment was taken and transformed to virtual distance learning. During this global pandemic our Tier 1 & Tier 2 supports were challenged. However, academic supports as well as social-emotional lessons were delivered virtually. Supporting our students is our number one concern. 100% of our teachers implement class routines and direct instruction to students on how to request help and how to complete tasks and submit assignments.

IMPLEMENTATION WITH TIER 1 SUPPORTS

88% of our teachers use technology tools such as chats, polling features, jam boards, & flip grids to ensure high rate of opportunities to respond.

EFFECTIVE INTERVENTIONS FOR TIER 2 SUPPORTS

Academic Support and Social Emotional lessons taught weekly for Tier 2 supports. 76% of students that attended Academic Supports increased their grades in specific subject area.

ACTION PLAN FOR 2021/2022 SCHOOL YEAR

- TIER 1 ACTIVITIES PROVIDED FOR ALL STUDENTS TO REVIEW CORE VALUES ALONG WITH OUR NEW RECOGNITION SYSTEM 5 STAR, WILL BE FULLY IMPLEMENTED
- TIER 2 IN-PERSON TEACHING WILL PROVIDE A VARIETY OF SUPPORTS THAT ADDRESS STUDENTS NEEDS WITH SMALL GROUPS AND CHECK IN & CHECK OUT
