

NURSERY NEWSLETTER

Term Six 2021

Term 6:

Our focus for this term is 'Helping Heroes'. We will be reading the stories 'Superworm', 'Supertato', looking at non-fiction books about people who help us and for some of the older children we will be talking about starting school. We will also be learning words, concepts and songs related to the stories. This will help us in our play as we learn, explore and practise using these new words .

Understanding of the World:

This term we will be continuing to look after our gardening patch and watching our fruit and vegetables grow! We will hopefully be picking and eating our strawberries, beans and tomatoes soon! We will also be having a very exciting visit from the police, we will be able to ask questions to find out more about how they help our community.

Our Maths Focus:

'Superworm is super strong, Superworm is super long!' We will be measuring 'worms'- comparing and sorting them according to size. We will also be taking part in 'super' challenges such as seeing how fast we can run, how many times we can hop!

Focus Songs/Ring Games

This term we will be singing old and new songs, we will be starting with 'There's a Worm at the Bottom of the Garden' and 'Five Little Fireman'. We will also be playing ring games with the parachute and scrunchie and learning 'Duck, Duck, Goose'.

Diary Dates

- Term 6 begins— Monday 7th June
- Inset Day— Friday 18th June
- Sports Day for beginning of the week children (No spectators permitted)— Tuesday 13th July, 9.30am

- Nursery Leavers Picnic— Thursday 22nd July, 1.30-2.30pm
- End of Term 6— Friday 23rd July

Information For You:

Welcome Back!

Welcome back to Term 6, here are some reminders and things you may need to know:

Packed Lunches:

Please cut mini sausages and grapes. To avoid choking they should be cut length ways down the longest section of the food. Lunchbox items could consist of a sandwich/wrap or crackers, yoghurt/cheese, fruit or vegetable portions and some parents like to give their children a biscuit bar and/or crisps. Lunchboxes are kept in the fridge.

Uniform:

We encourage children to wear old clothing or school uniform to avoid getting their smart clothes dirty or spoiled. We keep second hand uniform in the nursery to distribute to families that need it. Please ask us if you would like to know more about this.

Sunny Days:

In Nursery we like to ensure the children are protected from the sun. We will provide sun cream for each Key Group, please bring in your own sun cream if your child requires a specific brand/ type or medicated cream. You will also need to provide your child with a named sun hat!

Communications:

You can speak to Natalie Manning (Nursery Admin) in the mornings at drop off time, via email or text. You can also speak to the Kelly Simpson at drop off or collection times at the gate or via message on ClassDojo. You can now reach us via the main Academy phone line on 01424 852326 option 2.

We would like:

Please donate any joggers, leggings, socks or pants to the nursery, we are always in need of spares. Thank you.

Home Learning:

- Look at picture books together and read to your child everyday. Listen and respond to what they can see in the pictures.
- Watch and listen to the Nursery Teacher and Practitioners reading pre-recorded stories on ClassDojo.
- Find out which words we are learning for our 'Words of the Week' and use these words when you are talking to your child.
- Learn and Sing together the 'Rhyme of the Week'.
- For ICT fun log onto Mini Mash and explore the virtual classroom.
