## B. "Rapid Test" Vocabulary

You will need to purchase a French dictionary for September, however, if you want, for now you may use the website [www.wordreference.com](http://www.wordreference.com) to look up these words in French.

Each French word will either be masculine (m) or feminine (f) gender (THERE IS NO NEUTER GENDER IN FRENCH), and you are to include this information with the vocabulary word. Please do this on the COMPUTER, DOUBLE-SPACED and make sure the number corresponds to the image. Also, please include any accents.

For example:

1. chaise (f) chair
2. arbre (m) tree
  
3. horloge (m) clock
4. parapluie (m) umbrella
5. téléphone (m) telephone
