

## Summer 2021 Parent Guide

Your child's Camp Griffin experience begins in just a few days! We are so excited about the wonderful summer ahead! Here's what you need to know:

### Before you arrive

Please be sure your profile in CampDoc is complete. Immunization records are required for preschool campers.

### What to Bring

water bottle, labeled with the camper's name

Preschool campers: In addition to a water bottle, please bring a nap mat and a change of clothes, labeled with your child's name.

### Drop-Off and Pick-Up (9 a.m. and 4 p.m.)

- **Preschool (2K, 3K, and 4K)** campers should be dropped off and picked up at the 100 wing entrance, indicated with a red star on our campus map below. If preschool campers have older siblings attending camp, all children should be dropped off at the preschool location.
- **1st - 4th grade** campers should be dropped off and picked up at the Lower School entrance. For those unfamiliar with our campus, the Lower School entrance is marked with a blue star on our campus map below. Pickup will be at the same location.
- **4<sup>th</sup>-8<sup>th</sup> grade** campers should be dropped off at the Middle School entrance, marked with a gold star on our campus map below. Pickup will be at the same location.
- **Sports camp** participants should be dropped off at the Webster Athletic Complex, marked with a purple star on the campus map below. Pickup will be at the same location.

### Early Drop-Off & Late Stay

Early drop-off (8 - 9 a.m.) and late stay pickup (4 - 5:30 p.m.) for all grade levels is at the 100 wing carpool area. The 100 wing is marked by a red star on the campus map.

*\*If you need to drop off or pick up your camper at a time other than regular arrival and dismissal times, please drive to the Lower School entrance and call or text Trish Cobourn at 864-680-4114.*

## **Vehicle Tags**

Vehicle tags will be distributed and must be displayed to pick up campers. If a tag is not displayed, counselors will ask for identification from the individual picking them up. That person must be listed in our CampDoc system to pick up the child. If you have an emergency situation, please call Trish at 864-680-4114.

## **Lunch and Snacks**

Lunch and morning and afternoon snacks will be provided by The Griffins Table.

## **Communication**

Camp photos will be shared via the SeeSaw app. Families without a SeeSaw account will receive an invitation to create an account and view photos taken of their child participating in camp activities throughout the day and week. For families with an existing SDS SeeSaw, no action is needed! Photos and details of your child's day will be posted as soon as possible each day.

## **COVID-19 Health & Safety Protocols\***

To lower the risk of transmission, all 2021 camps have modified capacities and will practice physical distancing when possible. Campers will also be grouped in cohorts. These small groups of students and faculty will stay together throughout the day to minimize the possibility of exposures. Campers will be encouraged to wash their hands frequently, and common areas will continue to be cleaned frequently and thoroughly.

### ***Daily Screenings***

The health of our campus begins with families at home. Please assess the health of your child each morning before arriving at camp. Keep your child home if:

- They are experiencing any symptoms of COVID-19 (fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea)
- Anyone in your household is being tested for COVID-19
- Anyone in your household is positive with COVID-19

If your child will not be attending camp due to any of the above reasons, please contact Trish Cobourn at 864-680-4114.

### ***Face Coverings***

Face coverings are strongly encouraged but optional for unvaccinated campers, faculty and visitors to campus. SDS supports families preferring their child wear a face covering while participating in Camp Griffin. Students who arrive to camp wearing a face covering will be encouraged to wear it at appropriate times throughout the day.

### ***Building Access***

To minimize the possibility of exposures, access to buildings is currently limited to campers and faculty. Parents are asked to use carpool areas to drop off and pick up their children each day.

### ***Assumption of Risk***

Although Spartanburg Day School is making every effort to put health and safety first, as long as COVID-19 exists, there will be a risk that faculty, students and visitors to campus could become infected. A shared commitment to health and wellness continues to be important. All members of the SDS community are asked to do their part to protect themselves and others by following school health and safety protocols.

*\*All protocols are subject to change and may be updated as appropriate.*

We are so excited to welcome your child to Camp Griffin! Please text, call, or email Trish with any questions.

See you soon!
