

SUMMER ASSIGNMENT FOR HONORS/AP SPANISH 4 (Mrs. O'Leary)

Carefully view and take notes on the following YouTube videos:

<https://youtu.be/TmVWJaw5pEY>

<https://youtu.be/Nta-nNO1FKw>

https://youtu.be/bWU_lvuUXrU

<https://youtu.be/mE8LnJ3BDb8>

They are instructive videos on the past perfect tense, the passive voice and the differences between POR and PARA. You might need to watch each video a few times to fully absorb it; take your own HANDWRITTEN NOTES ON LOOSELEAF for each video. Write your notes in your own words with some examples from the videos in your notes. You should end up with 4 separate loose-leaf papers (one for each video) and then they should be STAPLED TOGETHER. Please write the name of each video AT THE TOP of the looseleaf page (along with your name). These notes will be COLLECTED AND CHECKED and count as your first QUIZ GRADE for Spanish 4.

Eventually, you will use your notes to participate in a class discussion/lesson. So, please make sure you have written the information in **your own words that are meaningful to you**. Nobody should have exactly the same notes, obviously.

These notes will be due on the SECOND DAY OF CLASS.
