

Suggested Supply List for 7th and 8th Grades
2021-2022

**We do not order SchoolPaks for 7th and 8th grades.
You are free to purchase the items below wherever you would like.**

Please keep in mind that 7th and 8th graders do not have lockers; supplies can be left at home and students can replenish as needed what they carry in their backpack

- A well-fitting (using both straps), lightweight backpack with lots of pockets
- Pocket/accordion organizer to collect/store papers
- Pouch for holding pens and pencils
- Pens and pencils of your choice (you can never have too many pencils!)
- Two composition notebooks
- 50 - 75 sheets of notebook paper
- Graph paper or graph paper notebook/composition book, 4 squares per inch
- Calculator (a Cloud-based calculator on their Chromebook will get kids through the first weeks of school, but there are times when students will not be able to use Chromebooks. The 8th grade calculator will be used throughout Upper School and even college, so it is worth the investment!)
 - TI 84+ calculator (for 8th grade only, and for 7th grade Algebra)
 - TI 30X calculator (for 7th grade Pre-Algebra - same one they used in 6th)
- Small earbuds to be used with Chromebooks (please leave Beats and larger headphones at home, as students need to hear teacher instructions)
- A sketchbook, if taking Visual Art or Creative Explorations

Questions? Please contact Dean Holyer at cholyer@cannonschool.org or at 704-721-7190.
