You are responsible for calculating the maximum annual amount of additional contributions you can make to the Wisconsin Retirement System. For assistance in determining the maximum annual contribution amount allowed, review the *Maximum Additional Contribution Worksheet* (ET-2566) on the ETF website. Overpayments will be returned without interest. Review the *Additional Contributions* (ET-2123) brochure for details about additional contributions.

ETF does not provide tax advice. For advice, contact your attorney or tax adviser.

You can make your voluntary additional employee paid contributions via the e-payment site, which is available at etf.wi.gov/retirement/additional-contributions or on ETF's My Info or Additional Contributions pages. You must input your ETF member ID in order to allocate your payment to your WRS account. If you choose this payment option, you do not need to submit this form.

If you choose to make voluntary additional employee paid contributions via check, complete and return this form with your payment.

Make your check payable to the **Department of Employee Trust Funds**.

Send your payment and this remittance form to:
