

Fairview Classic Knights Orchestra
1515 Greenbriar Blvd
Boulder, CO 80305

We need your help...

Fairview Classic Knights Orchestras needs your financial support. The money we receive from the district covers only \$1,100 of our expenses. Our projected expenses for the year are roughly \$10,300. Fundraising covers some of our costs, but we would prefer to have our students concentrate on playing great music rather than sales.

Who Donates?

Our goal is 100% participation from our orchestra families. We would love to have external support from other patrons of music education, including relatives, friends, neighbors, and corporations. Some employers will also match your tax deductible charitable donation.

How much should I give?

Give whatever amount feels comfortable to you – no donation is too small or too large. To give you some perspective: \$45 buys a new uniform and \$150 covers an average instrument repair. Your gift is deeply appreciated and strictly confidential (if you choose).

How will my donation benefit the Orchestras?

Your donation helps to support sectional coaches, instrument repair/purchase, and uniforms. All donations raised go directly to the Fairview Orchestras and are 100% tax deductible.

What about instrument rental fees?

Some students rent an instrument at school. These fees partially cover instrument maintenance like repairs, string replacement, and bow purchase.

Why should I give a donation to a public school?

Unfortunately, the State of Colorado routinely ranks among the states that provide the least funding for public education. In order to keep the quality of our Orchestra Program high, we rely on the support of our community.

Calling All Orchestra Supporters!
