

ASCENT Promissory Note (Accelerating Students through Concurrent Enrollment)

Colorado Law provides that any student who is under twenty-one years of age, is a senior in their fourth year of high school, has completed 12 credit hours of transcribed, credit-bearing, postsecondary coursework, and is not in need of remediation in their selected pathway is eligible for the ASCENT (Accelerating Students through Concurrent Enrollment) program. The student must remain in Englewood Schools for up to one year following their 12th grade year. Students will receive their high-school diplomas at the end of their ASCENT year. [C.R.S. § 22-35-108]

Englewood Schools will pay the student’s college tuition at the resident community college rate using ASCENT specific per-pupil state funding. Englewood Schools is NOT responsible for transportation, college fees, books, and supplies associated with the course(s).

Prior to paying the tuition for any student, the district shall require the student and parent/guardian to sign a promissory note to repay the amount of tuition paid by the district on the student’s behalf if the student earns a “D,” “F,” “W,” or “WF” or otherwise does not complete the post-secondary course for any reason without consent of the principal of the school in which the pupil is enrolled. **The student must receive a passing grade of a “C” or better upon the completion of the course(s).** The district shall enforce this agreement, and the student or parent/guardian shall be responsible for reimbursing the district within 30 days as provided by the promissory note and pursuant to the Concurrent Enrollment Programs Act.

I have read and agree to the above requirements regarding the Englewood Schools ASCENT Program.
