Dear Students and Families,

Welcome to 2nd grade at South/West Park Elementary. We are excited to have you in our classes and get to know you. While we do anticipate returning to a regular school schedule, depending on the county guidelines there may be some changes. Our first day of school will be Monday, August 9th.

First Day Information

Doors to classrooms will open at 8:10 am. On the first day only, students will go directly to their classes (after the first day, they will always report to the cafeteria). Students may bring any supplies they have already obtained. **Homework will not start until after Back to School Night.**

However, look for important forms to be sent home during the first week of school.
