Digital Footprint

What is this?

Example of digital footprints

Positive

Negative

How can you lessen the footprint that you make?

LET'S TALK!!!

DHS staff issued an iPad on Monday, June 19, 2017. Online courses were shared. Apple Store sessions being planned in Stamford and Trumbull.

iPad Summer

2017

Here's how you can use them ...

- Learn the basics of navigation and settings (if you have an iPhone, it's pretty similar)
- Explore the Google suite of apps and how they work on iPad (Drive, Docs, Classroom, etc.)
- Download and test some of the educational apps listed in your Summer Guide

Professional Development, Amplified

- This summer, a team will be designing ongoing PD to immediately support the faculty next year
 - District-wide development days
 - Technology web database
 - PLCs
 - “Technology Duty”
 - Student EdTech Team
 - Technology Lab Sessions
 - Ongoing partnership with Apple trainers

And more
to come!

Fall 2017 - Grade 9 Parents/Students

September/October:

Digital Citizenship lessons (2) prior to distribution (Grade 9)

Confirm 1:1 Loan Agreement/User Agreement completed

October/November:

DHS Parent Meeting -prior to Grade 9 launch

Distribution of iPads to Grade 9 students (November)
