RE: Discussion/Presentation of Report Requested by Board of Finance

For State of the Town

The attached is a template requested by the Board of Finance for the upcoming State of Town address (December 10, 2018). The new five year forecast template has been prepared for review by breaking down the current and future budgets into five (5) distinct categories.

- 1. Operating
- 2. Utilities
- 3. Workman's Compensation
- 4. Health Insurance
- 5. Revenues

The purpose of this report is to provide a baseline fiscal snapshot for the Board of Finance reflecting three years of historical revenues and expenditures while comparing the present fiscal year and forecasting out five additional fiscal years. Future assumptions are based on historical data, possible legislative changes, enrollment trends, staffing levels and the Board of Education approved goals and objectives.

The reader should consider that a forecast is a prediction of future financial events, based upon a snapshot of today that has been adjusted to reflect all known activities of the financial future along with certain assumptions and predictions of what may occur. In other words, it is an evolving document that becomes outdated once any additional information has come to light, which may introduce new known events or changes in assumptions for the future. As such, the five-year forecast is a good planning tool at best and will be subject to change periodically as updated information becomes available.

Re: Contemplated Gift for DHS

Date: November 8, 2018

Our Darien High School Parents' Association has generously offered to support the purchase and installation of a presentation system that will expand the use of our soon to be completed cafeteria space. This system will create the option to use the space for instruction while also serving many purposes outside of the school day including after school meetings, end of season banquets, and weekend events such as science fair competitions or Model UN. We are sincerely grateful for the continued generosity of our families and community.

Subject:

Upgrading of Electric Systems at Hindley, Royle and Holmes

Date:

November 13, 2018

At our meeting of September 25, the Board authorized the Superintendent to request of the Board of Finance the use of as much of the Board of Education's 2017-18 end-of-year fund balance of \$729,230 for the upgrading of the electrical systems at the three above-referenced schools. The Board did so with the caveat that the Superintendent not make the request of the Board of Finance until such time as there are "hard number" estimates of the cost of the upgrades.

I am pleased to inform you that those estimated costs have been received (please see attached estimates from Barile, Gallagher & Associates, Consulting Engineers) and are far less than the amount of the fund balance. For Hindley the estimated cost is \$115,000; for Holmes, \$115,000; and, for Royle, \$125,000, for a total cost \$355,000. Additionally, we anticipate a cost of \$30,000 for design and engineering fees.

By virtue of the administrative recommendation below, I respectfully urge the Board to authorize the Superintendent to request of the Board of Finance the amount of \$385,000 from the 2017-18 end-of-year fund balance for the upgrading of the electrical systems at Hindley, Royle and Holmes.

ADMINISTRATIVE RECOMMENDATION

Be It Resolved, That upon the recommendation of the Superintendent of Schools, the Board of Education authorizes the Superintendent of Schools to request of the Board of Finance the sum of \$385,000 to upgrade the electrical systems at Hindley, Royle and Holmes.

Re: Revisions to Board Policies 4025, 4050 and 5100; New Policy 5285

We are asking the Board of Education to consider revisions to Board Policy 4025 (Reports of Suspected Abuse or Neglect of Children or Sexual Assault of Students by School employees), Board Policy 4050 (Reports of Suspected Abuse or Neglect of Adults with an Intellectual Disability or Autism Spectrum Disorder) and Board Policy 5100 (Physical Restraint and Seclusion of Students and Use of Exclusionary Time Out). These policies are being revised to reflect recent legislative changes.

We are also asking the Board to consider the adoption of a new policy, Board Policy 5285 (Child Sexual Abuse and Assault Policy and Reporting Procedure).

Board Policy 4025 - Reports of Suspected Abuse or Neglect of Children or Sexual Assault of Students by School Employees. This policy has been revised to add licensed behavior therapists to the list of mandated reporters and to provide for the electronic filing of reports to the Department of Children and Families. Electronic reporting may not become available to our District until October 2019, but this change reflects the ability to file in that manner when available. This policy has been further revised to remove the immunity of mandated reporters who, in good faith, fail to make a report of abuse or neglect.

Board Policy 4050 – Reports of Suspected Abuse or Neglect of Adults with an Intellectual Disability or Autism Spectrum Disorder. This policy has been revised to add licensed behavior analysts to the list of mandated reporters. It also shortens the reporting period to no more than forty-eight hours after there is reasonable suspicion of abuse or neglect, and clarifies that unsuccessful attempts to make a report during the weekend or a holiday shall not be a violation of the law under certain circumstances.

Board Policy 5100 – Physical Restraint and Seclusion of Students and Use of Exclusionary Time Out. This policy has been revised to reflect the General Assembly's new definitions of "physical restraint" and "seclusion" and the addition of a definition of "exclusionary time out." Districts are required, by January 1, 2019, to implement procedures for the use of exclusionary time out with students. The Policy now clarifies that seclusion may only be used in emergency circumstances and may not be included in

a student's behavior intervention plan, individualized education program, or Section 504~plan.

New Board Policy 5285 – Child Sexual Abuse and Assault Policy and Reporting Procedure. This policy requires the implementation of a program in the schools for the prevention of sexual abuse and assault. This Policy also provides guidance for how to report acts of sexual abuse or assault and to whom to make those reports. The Policy provides resources for students who have been the subject of sexual abuse or assault.

Series 5000: STUDENTS POLICY 5285

CHILD SEXUAL ABUSE AND ASSAULT POLICY AND REPORTING PROCEDURE

The Darien Board of Education has adopted a uniform child sexual abuse and/or sexual assault response policy and reporting procedure in connection with the implementation of its sexual assault and abuse prevention and awareness program.

I. Procedures for Reporting of Child Sexual Abuse and Sexual Assault

- A. Parents (or guardians) of students may file a written report of suspected child sexual abuse and/or sexual assault pertaining to any student enrolled in the Darien Public Schools. The written report of suspected child sexual abuse and/or sexual assault shall be reasonably specific as to the basis for the report, including the time and place of the suspected abuse and/or sexual assault, the number of incidents, the victim of the child sexual abuse and/or sexual assault, and the names of potential witnesses or others with pertinent information. Such written reports may be filed with any building or central office administrator. All reports shall be forwarded to the Safe School Climate Specialist for the school in which the student is enrolled. The Safe School Climate Specialist or designee shall cause such reports to be reviewed and actions taken consistent with this policy.
- B. Any adult affiliated with the school community may file a written report of suspected child sexual abuse and/or sexual assault pertaining to any student enrolled in the Darien Public Schools. APPENDIX B

Operational Definitions of Child Abuse and Neglect

The purpose of this policy is to provide consistency for staff in defining and identifying operational definitions, evidence of abuse and/or neglect and examples of adverse impact indicators.

The following operational definitions are working definitions and examples of child abuse and neglect as used by the Connecticut Department of Children and Families.

For the purposes of these operational definitions,

 - While only a child under eighteen may be a victim of child abuse or neglect, a report under mandatory reporting laws and this policy is required if an employee of the Board of Education in the ordinary course of such person's employment or profession has reasonable cause to suspect or believe that any person, regardless of age, who is being educated by the technical high school system or a local or regional board of education, other than as part of an adult education program, is a victim of sexual assault, as set forth in this policy, and the perpetrator is a school employee.
