Special Education Extended School Year Program

ESY Program Overview

The Darien Public Schools Extended School Year (ESY) Program provides special education and related services to eligible students with an Individualized Educational Program (IEP) during June and July of the academic year.

Each student's Planning and Placement Team (PPT) determines eligibility for the ESY Program on an individual basis. The PPT members consider:

- Nature and severity of the student's disability;
- Learning needed to attain independence;
- Extent of regression caused by an interruption in educational programming; and,
- Rate of recoupment following interruption in educational programming.
