## Memorandum

- DATE: August 17, 2020
- TO: Board of Education
- FROM: Dr. Alan Addley, Superintendent of Schools Richard Rudl, Director of Finance & Operations

### SUBJECT: FY 2021 Re-opening Expenses

As discussed previously for fiscal year 2021 we will be adding a cost center to the monthly financials that will identify re-opening expenditures in a clear manner. This cost center will show no budget until either a transfer is approved by the Board of Education to fund an item/items or a supplemental appropriation is approved by the Board of Education, Board of Finance and RTM.

This cost center will be included in the FY21 monthly financial report that we bring to the Finance Committee and full Board of Education.

In order to provide an estimate of where we currently stand with re-opening expenditures we have included a schedule outlining the current areas of need and the projected cost as it stands. The items are categorized under the following areas:

- Staffing
- Facilities
- Technology
- Materials
- Transportation

There are still a number of items that remain unknown currently, which include

- Electricity demand the district will see to purge our HVAC systems each day
- Staffing costs for unfilled positions. Teaching positions have been reflected as a MA, Step 10 plus employee plus one benefits.
- Substitute costs for staff who potentially might be out due to the need to self-quarantine.
- Custodial overtime to cover any staff who potentially might be out due to the need to selfquarantine.

Currently we are anticipating the needs to be \$1,742,494 with \$134,611 be reimbursed by the Connecticut State Department of Education for a total need of \$1,607,883.

### Quantities of items ordered:

We have ordered:

### **DARIEN PUBLIC SCHOOLS**
