SUBJECT: 2020-2021 Facilities Usage Fee Schedule (proposed)

The Administration is recommending the following increases as outlined in the tables below. They reflect a 3.5% increase rounded up to the nearest dollar. Given there was no increase this past year this would be an average of 1.75% per year over the last two years. The recommended increase was based on comparisons to neighboring districts as well as existing costs to provide rental services to the community.

The following guidelines still apply:

1. Town of Darien Waiver: The hourly rental rates are waived for Town of Darien use of facilities (excluding summer camps).
2. Girls/Boys/Cub Scouts is exempt during school days. Non-profit rates will apply on weekends.

To be considered a local non-profit or local youth sport group, the following criteria must be met in its entirety:

1. The group must have a 501C(3) certification/designation.
2. The group must be based in Darien, CT.
3. 66% or more of the participants must be Darien residents. (Rosters must be provided).

Memorandum

DATE: August 17, 2020
TO: Board of Education
FROM: Dr. Alan Addley, Superintendent of Schools
Richard Rudl, Director of Finance & Operations
SUBJECT: FY 2021 Re-opening Expenses

As discussed previously for fiscal year 2021 we will be adding a cost center to the monthly financials that will identify re-opening expenditures in a clear manner. This cost center will show no budget until either a transfer is approved by the Board of Education to fund an item/items or a supplemental appropriation is approved by the Board of Education, Board of Finance and RTM.

This cost center will be included in the FY21 monthly financial report that we bring to the Finance Committee and full Board of Education.

In order to provide an estimate of where we currently stand with re-opening expenditures we have included a schedule outlining the current areas of need and the projected cost as it stands. The items are categorized under the following areas:

- Staffing
- Facilities
- Technology
- Materials
- Transportation

There are still a number of items that remain unknown currently, which include

- Electricity demand the district will see to purge our HVAC systems each day
- Staffing costs for unfilled positions. Teaching positions have been reflected as a MA, Step 10 plus employee plus one benefits.
- Substitute costs for staff who potentially might be out due to the need to self-quarantine.
- Custodial overtime to cover any staff who potentially might be out due to the need to self-quarantine.

Currently we are anticipating the needs to be \$1,742,494 with \$134,611 be reimbursed by the Connecticut State Department of Education for a total need of \$1,607,883.

Quantities of items ordered:

We have ordered:
