2. Report(s) – Instructions for any recurring reports required by the Board Unless otherwise specified in a policy adopted by the Board of Education, each Board policy will have at least one corresponding administrative procedure.

- A. The Superintendent is directed to develop administrative procedures to implement this policy in accordance with all local policies and local, state, and federal laws and regulations and to communicate this policy and accompanying procedures to all relevant parties.

V. Exceptions

- A. There are no exceptions to this policy. However, the Board, by majority vote, may temporarily suspend all or part of this policy. Suspension of all or part of this policy, however, in no way relieves the Board of its obligation to comply with the pertinent local, state, and federal laws and regulations or the rules and regulations of the Maryland State Board of Education and the Maryland State Department of Education.

VI. Review
