PHONE: 352.242.2080 FAX: 352.242.2090

Dear East Ridge High School Student and Parent(s),

We are so very excited that you decided to participate in Lake County School's Advanced Placement Student Summer Institute. We believe the skills and networking that you will gain will open up even more opportunities for you while you pursue your high school diploma and prepare for college and career.

Since day 2 of the institute conflicts with our regularly scheduled Keys to the Kingdom, we are providing a special freshman orientation for APtitude students on Thursday, July 29th from 8:00AM-8:30AM.

Students, and parents that wish to attend, will meet in our cafeteria at 8:00AM. Parents can park in student parking (the large lot next to the football field).

In addition to a campus tour, we will also have the following:

- Chromebook checkout (textbooks will be the first week of school)
- ERHS student ID's

While students are taking their tour of the campus, we will have a parent meeting in the cafeteria.

Welcome to East Ridge High School
CLASS OF 2025!
