## Transportation

### 2021-2022 Permission to Release Student at Bus Stop

For the safety of your student, it is Northshore School District procedure that all kindergarten, preschool and special education students are required to be met by a parent, pre-authorized adult or pre-authorized sibling. Please list the names and phone numbers of any parent, family member, sibling, neighbor or friend that you authorize to receive your student. For the safety of your student, pre-authorized adults are required to be at the bus stop at leave five minutes before anticipated arrival time and come prepared to show identification.

I have read and understand the 2021-22 Kindergarten Permission to Release Student at Bus Stop Policy required)
