Dear Keeneyville District 20 Families,

We want to give a heartfelt “Thank You” to our Keeneyville D20 Families for helping to make the 2020-2021 School Year a success! We navigated very difficult circumstances and new way of learning together, and our students, families and staff rose to the challenge. The Keeneyville Spirit was strong all the way through the schools’ summer countdowns, as you can see in this fun [video](#) highlighting some of the students’ activities. In the coming days, we will share more pictures of the year-end activities of this memorable year, including field days, school events, and classroom activities.

We are very proud of our 8<sup>th</sup> Grade Students as they were promoted to high school this week. It was wonderful to see so many families at the outdoor promotion ceremony supporting their students. If you were not able to attend, please enjoy watching the ceremony [here](#).

A few reminders as we head into summer:

- **D20 In-Person Summer School:** We are excited to welcome the large group of students who registered for summer school, which begins on June 14. Please check your email for the message that went out yesterday or view [here](#). Bus schedules have been mailed and your child’s summer school teacher will be reaching out to you next week.
- **School Year 2021-20:** At this time, we are planning to follow state and local guidance and require full day, in-person learning for all of our students next year. *Please help us to plan for the fall by registering your student(s) as soon as possible.* Registration will re-open next Monday, June 7. - **Family Support Services:** District 20 will continue to offer support and resources for your child’s social, emotional, and mental well-being. We will have staff available onsite throughout the summer months. Please contact your school office to schedule an appointment. We also remind you to utilize the many resources available through the [DuPage County Department of Human Services](#) and [Illinois Department of Human Services](#) including their CALL4CALM free text line for emotional or other support.
- **Summer Food Services:** We will continue to provide free grab-and-go breakfast and lunch for all children under 18 throughout the summer. Pick-up will be on Mondays, Wednesdays, and Fridays at Greenbrook between 9:00am-10:30am. See the menu and details [here](#).
- **Technology Return:** If you have not yet returned your student’s Chromebook and/or D20 WiFi Hotspot, please do so as soon as possible. You may return your device to your school (by appointment only) or to the District Office.
- **Office Hours:** The District Office will be open from 8:00am to 4:00pm Monday through Thursday beginning next week, through the summer. We will be available to all who may need assistance with the registration process, as well as any other matters. All school buildings will be closed, except by appointment.
