

**BROWNSVILLE INDEPENDENT SCHOOL DISTRICT
TITLE I-A PARENT AND FAMILY ENGAGEMENT POLICY
2021-2022
LOPEZ EARLY COLLEGE HIGH SCHOOL**

Activities are dependent on the CDC and BISD guidelines regarding virtual or face-to-face instruction and social distancing at the time of implementation during the 2021-2022 school year.

I. STATEMENT OF PURPOSE

Lopez ECHS is committed to providing a quality education to every student. Partnerships with parents and the community are essential as neither home nor school can achieve this goal independently. Parents play an important role as their children's first teachers, and their support is critical to student success. Lopez ECHS intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all students at Lopez ECHS will be distributed to parents with the expectation that *all* students will work toward these goals. Lopez ECHS recognizes that some students may need the extra assistance of Title I-A programs to reach these goals and is committed to providing that support.

Lopez ECHS will annually form an Advisory Committee to review the Family Engagement Policy and to revise it as necessary. Special attention will be given to recruiting parent volunteers of students served in the Title I-A programs, with the goal of having at least two parents from each campus on the committee. The Title I-A Family Engagement Policy will be posted on the campus website.

III. ANNUAL TITLE I-A CAMPUS PARENT MEETINGS

Lopez ECHS will hold an annual Title I meeting for parents. This meeting will be held during the fall semester. The purpose of this meeting is to provide parents with information regarding Title I-A guidelines and services offered utilizing Title I-A funds as stated in the current Family Engagement Policy. The Family Engagement Policy will also be distributed to parents. Parents will be given the opportunity to offer their suggestions for any revisions to the policy. Parents may also volunteer to serve on either the district-wide or individual school's advisory committee or both.

The annual Title I-A meeting will be held at flexible times to increase the opportunity for parental participation. English and Spanish translation will be available. Written notices in both languages will be sent to parents notifying them of the date and time of the meeting. Parent volunteers, parent trainers, and parent liaisons will also contact parents by phone regarding the meeting. Volunteers who speak both English and Spanish will make all contacts.

- **September 2021 – March 2022**

IV. SCHOOL-PARENT-STUDENT COMPACT

According to Title I-A regulations, Lopez ECHS must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on the Lopez ECHS Advisory Committee must be involved in designing the compacts. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on the campus website.

V. TYPES OF FAMILY ENGAGEMENT

Lopez ECHS will provide opportunities for parents to become involved in their children's education. Lopez ECHS values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

Workshops and other programs will be available to address the expressed needs. Parents will be notified of these opportunities by the individual schools.

Parents may also call the Parent and Family Engagement Department or the school office to express an interest in a particular workshop topic or to make recommendations about the program.

- **September 2021 – April 2022**

VII. STAFF-PARENT COMMUNICATION

Lopez ECHS informs parents of monthly activities and current issues through various means of communication. Communication with parents should also include a school newsletter distributed by the school at least four times a year. Notices sent home should be in both English and Spanish. Parents are encouraged to take the initiative in calling their child's teacher or campus administrator when they have a concern. Staff should receive training on techniques to improve home-school communication. Parents may participate in this training.

This committee will collect information in a variety of ways, including campus visits and class observations.

Parents will also be asked for their input on the content and effectiveness of the Title I-A Family Engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family engagement and barriers to parental participation that still need to be overcome. Lopez ECHS will revise its Family Engagement Policy on the basis of this annual review.
