Information about Summer Reading Assignments:

Required: *Bob* by Wendy Mass & Rebecca Stead

Bob is a required reading. Please bring this book to school on the first day and be prepared to complete activities during the first few weeks. *This is the only required reading for rising 3rd Grade.*

Suggested: Although no other reading is required for 3rd Grade, there is no better way to keep skills sharp this summer than by reading.

The remaining titles are only suggestions for books if your child needs ideas on what to read. Please encourage your child to pursue his/her own interests in their summer reading. Thank you!
