

SUMMER WORK 2021-2022

AP Latin

English Reading: please read Virgil's AENEID book 1,2,4, and 6

Suggested translations: Robert Fitzgerald ([available on Amazon here](#)).

Or on Poetry In Translation [website here](#). (But isn't the book nicer to have for notes, &c.?)

Latin IV Honors

I. Purchase Homer's *Iliad* in translation. Stick to the English translation by Stanley Lombardo so that we can all reference the same text, page numbers, &c.

Get [Lombardo translation here](#).

II. Read Book I of the *Iliad* in English translation.

If you would like an online translation for summer, [look here](#) (but you still need to invest in the actual book, both for your class notes as well as for your library).
