Summer Assignment, 2021  
**egreenwell@portergaud.edu**

Welcome to AP French Language and Culture!

In order to help you keep your momentum throughout the summer vacation, some listening, reading, speaking and writing activities are to be completed. The objective of these assignments is to maintain your proficiency and expand your vocabulary.

**Listening.**

**Listen to 4 online podcasts** of your choice. Go to **savoir.rfi.fr** (under the tab « apprendre et enseigner le français », then « comprendre le fait du jour ») or **tv5monde.com** (under the tab « langue française », then « apprendre le français »).

Choose the level B1 or B2.

**Complete the form « French article/podcast form » for each of the podcast.**

**Reading.**

**Read 4 online articles** of your choice from one of the following sources: **lefigaro.fr**, **lemonde.fr** or **nouvel.obs.com** (do not buy any article).

**Complete the form « French article/podcast form » for each article.**

**Speaking.**

**Send me 2 videos during the summer.** The videos should last about 2 minutes, **be spoken in French** and share some exciting news about you (a book, a movie, a crazy event, a cool trip...).

Remember: try not to read from a script.

**Film review.**

Find 1 French language movie, watch it in French and **complete the form « French film form ».**

Remember: make sure that the movie is approved by your parents.

You may add English subtitles.

All the documents (minus the 2 videos due during the summer) will be due at the beginning of the school year 2021-2022.

Do not hesitate to contact me at any time throughout the summer if you have any questions or concerns, or if you want some extra suggestions.

Keep in mind that the AP French curriculum is broad and that it is to your advantage to practice regularly during such a long break.

Remember: Do not use an online translator. [www.wordreference.com](http://www.wordreference.com) is a good dictionary.
